ISTH 2022 PRESS BRIEFING

Wednesday July 13, 2022 – 11:45 a.m.-12:30 p.m. BST
Press Briefing Room, ExCel London, ICC London Suite 3

Leading global experts will gather to discuss the latest data on key topics such as treatment of hemophilia, management of patients with venous thromboembolisms and the reversal of anti-coagulation mechanisms.

The event will be conducted in English and will be moderated by Professor Beverley Hunt, M.D., O.B.E, Chair of the [ISTH 2022 Congress Local Organizing Committee \(LOC\)](#).

Expert speakers include:

The following late-breaking abstracts will be highlighted during the ISTH 2022 press briefing:

- **Intermediate Versus Low-Dose Low-Molecular-Weight Heparin in Pregnant and Postpartum Women with a History of Venous Thromboembolism (Highlow Study)** by Prof. Saskia Middeldorp, Radboud University Medical Center, Nijmegen, Gelderland, Netherlands
- **Sirtuin 1 as an Endogenous Inhibitor of NETosis** by Prof. Christine Siu Ling Wong, Lee Kong Chian School of Medicine, Nanyang Technological University, Singapore
- **Roles of FVIII in Endothelial Cell Biology more than a Coagulation Factor** by Dr. Antonia Follenzi, Università del Piemonte Orientale, Amedeo Avogadro, Novara, Italy

Please note that select contents from the press briefing are under embargo. Please refer to the event agenda for concrete timings.

The media, companies and institutions issuing news releases and others, are required to abide by the embargo policies governing the ISTH 2022 Congress. Please see below for more information.

- For oral presentations, the embargo time is the start time of the session in which the Presentation is being made, this including late-breaking abstracts.
- For poster presentations: the embargo lifts when the poster session containing the poster opens for viewing in the morning (i.e., when the poster hall opens that day).
